

Memorandum of Understanding

Between

Faculty of Engineering, Universitas Muhammadiyah Yogyakarta

And

College of Engineering, National Chung Cheng University,

Taiwan

1. The purpose of this memorandum of understanding is to promote the educational and academic cooperation between College of Engineering, National Chung Cheng University, Taiwan (herein referred to as CCU) and Faculty of Engineering, Universitas Muhammadiyah Yogyakarta, Indonesia (herein referred to as UMY). CCU and UMY agree to conduct the following objectives:
 - (1) Promoting institutional exchange by inviting faculty and staff to participate in joint research projects;
 - (2) Promoting the exchange of essays, publications, theses, and information related to the research;
 - (3) Promoting dual degree program;
 - (4) Promoting student exchange program.
2. In accordance with the principle of mutual and equal benefit, international travel expenses, cost of living, health insurance or other necessary expenses incurred by the visiting scholars (students) will be borne by the individual visitors, unless provided by specific arrangements.
3. CCU and UMY agree to assist each other in drawing up and carrying out the concrete plan of the collaboration scheme stated in the objectives of this MOU. Details of these plans will be set up in a separate addendum to this memorandum.
4. The MOU will take effect for 5 (five) years since the date of signing by the official representatives of two institutes. If either party wants to terminate this arrangement, written notice needs to be given to the other party six months before the termination of the agreement. However, the ongoing projects should be continued to the end and not be affected by the termination of the agreement.

In witness whereof, the parties hereto have offered their signatures:
