

## SELECTION RESULTS FOR CALL FOR APPLICATIONS FOR STAFF AND PHD 2018 - 2019

Selected candidates are listed in alphabetical order and candidates on the reserve list are listed in order of priority.

All selected candidates will be contacted by email during the next two months, starting by those whose mobility starts the soonest. If a selected candidate rejects the grant or is unable to undertake the mobility, candidates on the reserve list will be contacted, also by email, and offered a place. The reserve number indicates the order in which unused grants will be offered.
