

International Nursing PhD Program

OUR UNIVERSITY, NTUNHS

National Taipei University of Nursing and Health Sciences founded in 1954 is well known as the first nursing college in Taiwan. In 2017, NTUNHS launched an international nursing doctoral program which was the pioneer in the country. In response to the diversity in the students' development and career planning, the School of Nursing with the best-rated PhD-level faculty in the country can address the trend and changes. We develop competency-based courses relevant to nursing research and practice, and more importantly offer skills and opportunities for excellence. Our doctoral nursing program aims to nurture talents in leadership, education, and research pertaining to healthcare issues and themes worldwide.

OUR SPECIAL FEATURES

Our program focuses on the students' learning goals in order to be a competent researcher and academics supported by advanced courses including philosophy of science and knowledge development, quantitative and qualitative research methodologies, international health policies, and systematic reviews with meta-analysis which are the strengths of our School of Nursing consisted of diverse teachers and resources. We show enthusiasms and supportive atmosphere particularly in our student learning needs and discussion guided by teachers and staff with excellence. Many extracurricular activities such goal-oriented visits and social clubs reinforcing the students' multiple competences are designed and sustained by our university so that our students can enjoy learning holistically and attain achievements that reflect the best outcomes for their academic journey and graduation.

CURRICULUM

*The course list is subject to change based on the School of Nursing Curriculum Committee.

** NTUNHS PhD in Nursing program consists of 18 credits core courses, 9 credits of elective courses, and 12 credits of dissertation courses.

國立臺北護理健康大學

National Taipei University of Nursing and Health Sciences

International Nurse-Midwifery Master of Science Program

INTRODUCTION OF NTUNHS

National Taipei University of Nursing and Health Sciences (NTUNHS) is known for having the best degree programs in nursing and healthcare education in Taiwan and Asia.

NTUNHS has a total of four colleges including 12 departments with graduate institutes and 6 international programs. NTUNHS is one of the best universities in Taiwan, and it also ranked number one in excellence for its International degree Programs. If you are a high achiever, then NTUNHS is the right university for you.

INTRODUCTION OF PROGRAM

In addition to equipping students with professional knowledge and skills of midwifery and enhancing training in medical guidance and consultation, we aim to cultivate students' abilities to conduct academic research or engage in medical business management in order to develop researchers and leaders in the field of mother and child healthcare, sustain human resources for clinical services, and reinforce clinical research in the field.

The program emphasizes woman- and family- oriented care for low-risk pregnant women prenatal care, labour and delivery management, postpartum care, well-woman gynaecologic care, and primary health care to essentially normal, healthy women and to care for normal newborns.

SCOPE OF CURRICULUM

1. Students require a minimum of 30 credits including Nursing Theory, Research Methodology, Advanced Applied Biostatistics, Health Assessment for Advanced Practice Nursing, Nurse Midwifery I, Nurse Midwifery II, Nurse Midwifery Field Experience, elective courses, and Master Thesis.
2. Students will earn "Master of Science (major in Nurse-Midwifery)" degree from the College of Nursing after two-year program is successfully completed.
