Enhancing International Collaboration, UMY-UNIMaP Launched Master-Doctoral Program

YOGYAKARTA (INDONESIA) - Various kinds of initiatives have been undertaken to achieve the goal of a successful internationalization program, including expanding the global network, fostering greater international cooperation, and building an international environment through the mobility of students and staff. This year, a new program is added to contribute to the internationalization program, where Universitas Muhammadiyah Yogyakarta (UMY) and Universiti Malaysia Perlis (UniMAP) created an innovative program this year.

After several in-depth discussions

and planning, UMY and UniMAP finally established a Master-Doctoral Program in February 2024. As part of the admissions process, UMY will recruit prospective students, particularly from Muhammadiyah-Aisyah Higher Education, to pursue Master's and Doctoral degrees in UniMAP, which at the same time reaching the goals of Muhammadiyah-Aisyah Higher Education's 5000 Doctoral Degrees. The launching ceremony was held at the Café 1912 and continued to a bow-cutting ceremony in front of the Master-Doctoral Program Office located at the..... (continue page 2)

Strengthening Cooperation, the French Embassy Visited UMY

YOGYAKARTA (INDONESIA) - The French Embassy together with IF Indonesia-Yogyakarta, visited UMY On February 6, 2024. During this visitation, the French embassy was represented by Antoine Bricout as Atache for University Cooperation, and Francois Dabin, the Director, represented the Institute Francais Indonesia (IFI) Yogyakarta. This meeting, also attended by Warung France UMY and LPKA UMY, was a form to promote the latest programs related to study opportunities in France through the scheme by the Indonesian and French governments. During this visit, the UMY was informed that the Indonesian government opened a new program in collaboration ... (continue page 3)

UMY'S 43RD BIRTHDAY!!

Universitas Muhammadiyah Yogyakarta will celebrate its 43rd anniversary on March 1st. The celebration includes a variety of events, including the International Cultural and Culinary Festival (ICCF), where international students from various countries showcase their culinary and cultural traditions. For this year, ICCF will be hosting the first Indonesian Speech Competition.

The project is a UMY initiative to ensure the successful completion of 5000 Doctoral Degrees at Muhammadiyah-Aisiyah Higher Education.

Muhammadiyah-Aisiyah Higher Education, to pursue Master's and Doctoral degrees in UniMAP, which at the same time reaching the goals of Muhammadiyah-Aisiyah Higher Education's 5000 Doctoral Degrees. The launching ceremony was held at the Café 1912 and continued to a bow-cutting ceremony in front of the Master-Doctoral Program Of-

vice located at the Admission Building on February 24, 2024.

YBGH. Prof. Dato' Ts. Dr. Zali-man Sauli, as Vice-Chancellor of UniMAP, conveyed his excitement and expectation for the newly established program, noting that UMY and UniMAP have maintained cordial relations and collaborated on numerous educational activities in the past. It is anticipated that this Master-Doctor Program will expand the opportunities for Indonesian lecturers and students to continue their education in Malaysia and foster a stronger international partnership between UMY and UniMAP.

Furthermore, the Rector of UMY, Prof. Dr. Ir. Gunawan Budi-yanto, M.P., IPM., ASEAN Eng, em-

phasized that the collaboration between UMY and UniMAP was formed a few years ago and has already proven effective through the exchange of students and research collaboration. Additionally, Gunawan conveyed his appreciation and gratitude to UniMAP for placing its trust in UMY to establish such an innovative program, and he expected that it would prove beneficial for both institutions.

Strengthening Cooperation, the French Embassy Visited UMY

The French Embassy together with IF Indonesia-Yogyakarta, visited UMY On February 6, 2024. During this visitation, the French embassy was represented by Antoine Bricout as Atache for University Cooperation, and Francois Dabin, the Director, represented the Institute Francais Indonesia (IFI) Yogyakarta. This meeting,

also attended by Warung France UMY and LPKA UMY, was a form to promote the latest programs related to study opportunities in France through the scheme by the Indonesian and French governments.

During this visit, the UMY was informed that the Indonesian government opened a new program in collaboration with the French government through the LPDP Program, namely Beasiswa Prioritas LPDP – Campus France Program Master 2024. This French LPDP program focused on helping Indonesian students study abroad.

Apart from promoting these programs, France and UMY com-

mitted to strengthening the cooperation with UMY by sending French language teachers to UMY through Warung France and the possibility for future collaboration with the Faculty of Language Education UMY.
